LOW INTERVENTION WINES

CHOSEN FOR LANDLINE BY PATRICK BOUJU

Patrick Bouju is a winemaker based in the Auvergne region of France. His labels Vivanterre — meaning “living earth” and Domaine La Bohème, translating to “Field of Bohemia” — reflect the essential qualities of their wines and winemaking: aliveness, the small-scale and handmade, a creative and collaborative process.

Organically and biodynamically farmed, vinified using natural processes, and untouched by any fining, filtering, or added sulfites, these wines directly express the unique and complex terroir of clay and limestone soil they are grown upon.
